ANNOUNCEMENT TO THE AMERICAN PEOPLE A NOUNCEMENT TO THE AMERICA
PEOPLE.
On the first of December will be commenced
THE ENTIRE WORKS OF J. FENIMORE COOPER, With all his Latest Corrections and Revisions, outilied, THE PEOPLT'S EDITION.

WITH AN ELABORATE LIFE OF THE AUTHOR, IN ONE UNIFORM FOLDER. A volume will be published on the 1st and 15th of every month until the series is completed. Elegantly printed on superb paper, manufactured ex-pressly for this edition, and bound in embossed cloth, in a tasteful and uniform style. Price for each volume.

Since the death of our illustrious novelist, the author of to none in this country.

The importance, to every business mun, of a knowledge of accounts, must be subtractly obvious to all rulectly and finitely settled. It is agreed that he is not only the GREATEST and most NATIONAL of our own writers, but that he is of the class of Cervantes, Le Sage, Shak-pears, Goethe and Scott, whose displays of genius in literature entitle them to a uni ersal and immortal populatity.

Mr. Cooper was the originator of three distinct classes of novels; those which illustrate modern mutical experience, those which deal with our own revolutionary history, and section which nothing also can.

He holds the postol confidential class in his employers, three classes he has had troops of imitators, but no equal: these of Indian and pioneer life in this country. In these and it is confessed that he is in none of them approach-

> been conceded to him by acclamation; and in the lonely desert or untrodden prairie, among the savage Indians or scaterly less savage settlers, all equally arknowledge his dominion. Within this circle none dares walk but he."
>
> Vieron Hour, the greatest of cotemporary remancists and rrillos, declares that Cooper is a creator, indeed, 'a profilgious genius, and in an elaborate review of his works as-sers his superiority to Scott. This is the tone of the most approved cruicism of continental Europe. In this country, Washington Irving, Edward Everett, Bryant, Prescott, Bancroft, and others of the highest au-

thority in such matters, concur in acknowledging the amust g power, splender, beauty and attractiveness of his productions.

The undersigned, who are the proprieters of the copyrights of all the Novels and Tales of Ma. Coopen, propose to issue an edition of them containing all his latest corrections and improvements, to be called THE PEOPLE'S POI

Tion. The extraordinary success of their other editions does not permit them to doubt that this announcement will be received with the highest gratification by all their country men who, in the selection of their libraries, have a regard both for literary excellence, and the outlivation of a traly and dignified national character.

The People's Edition will be issued on range of the same size and quality as that used for the b crt to edit a nof the Worksot Irving, and in a similar style of unding, and the volume will be sold at the extremely low price of One Dolar each, which is 20 per cent, lower than that of the works

of any copy right author presented in the same excellent manner. The rolumes will be published on the FlicST and FIFTEENTH of every mouth, commencing with the mouth of December, until the entire series is completed, making in all Thirty-Four Volumes. This carefully revised edition will be more handsomely printed than any of the preceding editions. The semi-

monthly mode of publication has been adapted, as the best method of bringing it within the reach of all classes; thus affording to the less affluent an opportunity to avail them-selves of the privilege of securing, for a very moderate sum, the meet beautiful and the most perfect set of the Com-No. 222 Broadway, New York.
